

Delta Aquatics Swim Lesson Schedule

Spring 2024

Our Swim Lesson Program runs on a monthly cycle; registration opens on the 15th of each month at 8:00am CST for the following month. We do encourage you to register as soon as you're able to as our classes tend to fill up quickly. For important registration dates for the next few months, please see below!

Lessons will be at days and times noted below and there WILL NOT be makeup lessons. Please thoroughly check the dates you are interested in prior to registering your child(ren), so there are no schedule conflicts. This is greatly appreciated!

*Every swimmer in the program pays an annual registration fee. This non-refundable registration fee of \$25 per swimmer is charged when a child is first enrolled in the program, regardless of the time of year. It is then charged annually when a child is registered again after the anniversary date. This is an annual fee which covers the administrative costs of processing each child's enrollment and liability insurance for each child's participation in swim lessons at Delta.
